

Over the coming weeks, our favorite restaurants, hotels, shops, salons, theaters, markets and other Shelby County businesses are going to see a decline in visitors.

There are, however, many constructive and responsible ways in which we can continue to support our local businesses:

- shop online with Shelby County businesses
- ordering food to go
- using available curbside service for our groceries & other purchases
- buying gift cards or certificates – to use TODAY, or for a later date. Gift cards & certificates = immediate cash flow...& cash flow is the lifeblood for our Shelby County businesses
- where appropriate, tip as generously as you can

Business-2-Business Resources:

- Hot Deals
Hot Deals are a unique way to offer fellow Chamber Investors exclusive savings. Participation is free, and the program allows businesses to drive customers to purchasing their products & services. Hot deals can be found on the home page at shelbychamber.org.
